Dear Juliet

It was nice to meet up with you and [REDACTED] last week and thank you for reminding me that we still owed you a letter for your donation.

Please say a heartfelt thanks to the girls from the Michael Bolton fan club and the fundraiser held last September which raised £400 for Women's Aid. Also a big thank you to the team at the [REDACTED] for the pub quiz which raised £1000.

Thanks for the invite to this year's fundraiser you and your fellow fans are holding again in September. Please let me know the date nearer the time and I will be there, even if it's only for a short while. It will make for a nice piece in the winter newsletter.

[REDACTED]  
The team here were sorry to hear about the death of your father. I do hope you and [REDACTED] are managing to find a way to move on. It is difficult, of course, especially when it happens at a special time like Christmas. I do hope that you will be back training and running soon. We need you.

Have a good Easter and I do hope that you will be watching this year's marathon, although knowing you, you will want to be running it again.

Take care

Laye
